Minutes from the February 4, 2009 Meeting

President, Pete Githens, called the February 4, 2009 meeting of the Reading Archery Club to order at 7:50PM.

Minutes from the January meeting were read and a motion to approve was made by Justin Burk and seconded by Helen Brown.

Treasurer's Report:

The treasurer report was read and circulated. Ending Balances for January are \$5837.12 in the checking and \$8924.00 in the savings. A motion to approve was made by Joe Kurtz and seconded by Chuck Trate. The total amount spent on the new cabinets was \$1100.00 of which JOAD paid half.

Membership:

We received two new memberships in January. Damien Rexrode for an individual membership and Joel Brower for an individual membership.

Committee Reports:

Building:

We ran out of oil last Monday February 2nd. They will be delivering 250 gallons on Tuesday. Joe offered to sell us 250 gallons if someone was able to transfer it.

Pete has been researching a panic bar for the front door on Ebay. He needs to run it by Terry Templin to see if it would work. Pete will continue to look for lock cylinders.

The ceiling tiles are done. Thank you to all that helped with this time consuming project.

Kelly's plumber friend, Chris Jozwiak, fixed the leaky faucet. He also adjusted the flow in the men's room toilet. It should be working fine now. The urinal on the wall is almost completely blocked from calcium deposits. Kelly proposes to simply remove the urinal all together.

It has been voted to give Chris a one year membership for all his donated time and effort.

Joe Kurtz has donated a much needed vacuum cleaner to the club.

The cabinets have been finished, however they do need locks for most of the doors to safely store the JOAD bows and supplies. A few door will be left open for common use. Jason Kleinsehn will check into getting us locks.

Grounds:

Our sign fell down at the corner of Church Street. Rich will get it put back up.

Jason will look into the grading that need to be done behind the clubhouse.

Indoor:

Eugene from the FITA Archers of PA has dropped off their \$350.00 donation. They will also be donating \$500.00 towards the new timing system.

The United Bowmen of PA will be coming Saturday February the 7th. This was postponed from the original date due to the bad weather.

3-D:

This year's expo was more successful then last year. We had 92 shooters and Mike Progansky got the oppportunity the shoot with Ted Nugent.

Our first indoor 3-D saw 93 archers and had many good comments about our shoot. The targets are ok for another shoot but Pete and Kelly feel the vitals need to be replaced before they are all shot out. It's important that we keep the vitals fresh.

Activities:

We sold 338 gun raffle ticket and made \$1600.00. There were 12 winners. All big ticket guns. Steve Leiberman was this year's top seller raffle winner. He received a gift certificate for \$250.00.

Kitchen:

Nothing new.

JOAD:

There are a couple of new JOAD members. They meet Tuesday nights from 6:30 to 8:00.

Daniel Goshorn finished 2nd at the FITA championships.

Level 1 and level 2 coaches training will be offered in Lancaster. Several fathers are interested in attending.

Web site:

The web site is up to date.

Old Business:

The new range timer will be portable and battery operated. The FITA Archers of PA will be sharing the expense with the club. The timer cost \$987.00 plus shipping. The package includes the controller, battery and two displays. A vote was taken to purchase the timer and the vote passed

New Business:

Gene Brokoff's wife recently passed away and the club sent flowers to the funeral. We received a thank you card from Gene.

Randy Keppel from Big Brother and Big Sisters is requesting to bring the kids back again this year. An April date has been recommended on a Tuesday night. Pete will finalize the date.

President, Pete Githens called for a motion to adjourn the meeting at 8:55PM. A motion was made by Chuck Trate and seconded by Joe Kurtz.
